Dear Mr. Ranga Rao,

May I request you to kindly obtain sanction of Government to my employing a watchman and a sweeper for the office on Rs.7/- each? The Secretariat peon in charge of this building does not sleep here in the night. As there is much furniture including a typewriter and other easily portable things in the building, I think it is necessary that a watchman should be employed immediately to remain on the premises during nights. The expenditure on this account will of course, be within the limit of my first note regarding the establishment required. I shall be grateful for early orders in the matter.

Yours sincerely,

M Venkatasubbayya
